TEACHING TOMORROW, TODAY

19 JANUARY 2018

MESSAGE FROM THE PRINCIPAL

A warm welcome to all learners, parents and staff. I would like to extend a special welcome to all our new learners, parents and staff. We hope that you will find happiness and much joy at Bryanston Primary School!

I would like to ask all parents to ensure that their children are at school on time as it sets the tone for the day. Please arrange that learners are picked up directly after school or their extra mural.

Let's make 2018 a special year where we spend quality time with our children as often as possible! This will benefit our children in learning to build proper relationships and communication skills.

Our children thrive on attention and love to feel safe and secure. The biggest gift we can give somebody is our time.

We will embark on a journey to instil, remind and practice good values in 2018. Please support us in our vision to send responsible and self-confident young boys and girls into the world.

"What distinguishes people with an extra ordinary character from the rest of us is how they respond when life sends one of its inevitable curves." - Dr. Martin Luther King Jr.

~ Mr Morne Marx
